This is a preliminary collection information sheet compiled from the supplied catalogue. It is not an independently certified technical data sheet, test report, installation approval, or declaration of compliance. Exact sizes, thickness, slip ratings, water absorption, abrasion, chemical resistance, fire performance, suitability for countertops or wet areas, and Canadian/US code compliance must be verified for the specific SKU before specification or purchase.

For project submittals, request manufacturer-issued TDS, ISO/EN test reports, batch identification, installation instructions and packing details.
